Technical Specifications

[Bidders must state here either "Comply" or "Not Comply" against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of "Comply" or "Not Comply" must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder's statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution.]

| 18 | The contract is a Single-Year Framework Agreement commencing from the receipt of Notice to Execute Framework Agreement until 31 December 2023 or upon consumption of the total quantity for each item, whichever comes first. | | | | | | | | | |
| 19 | This framework agreement permits flexibility at the outset of the agreement for the winning suppliers who are not able to commit to a fixed level of supplying a particular brand presented during the post-qualification. Provided, the nature of modification is due to fortuitous events and the modified brand is responsive to the technical specifications set by the Field Office. Notwithstanding, variations to the provisions of this agreement between the AD-PS Contract Management Unit and the winning suppliers are permitted, subject to Head of the Procuring Entity's (HOPE's) approval. | | | | | | | | | |
| 20 | The procuring entity reserves the right to cancel the contract or reduce the quantity of the goods for any justifiable reasons or for any circumstance beyond the procuring entity's control, i.e. force majeure, fortuitous events, etc. | | | | | | | | | |
| 21 | Payment Term: Payment shall be processed after complete delivery of every call-off subject to the submission and/or completion of the required documents for payments | | | | | | | | | |

Notes:

The requirement of evidence as reference to the statement of compliance is only applicable for the items or goods that are subject for the bidding at hand. Evidence as reference to the compliance with the terms and conditions is not required. However, bidder shall still explicitly provide their statement of compliance with the prescribed "Terms and Conditions". Statement of compliance with the "Terms and Conditions" will be verified during the post-qualification stage.

Example:

| Terms and Conditions | Statement of Compliance |
