

SUPPLEMENTAL / BID BULLETIN NO. 01

TITLE : **Purchase and Delivery of Additional Information Technology and Semi-expendable Equipment for the Pantawid Pamilyang Pilipino Program Staff**
ITB NO. : **ITB 2023-DSWD-CAR-33**
DATE : **27 October 2023**

This Supplemental/Bid Bulletin is issued to all prospective bidders announcing the following:

Description	From	To
Invitation to Bid	2. The Department of Social Welfare and Development - CAR now invites bids for the above Procurement Project. Delivery of the Goods is required <u>within thirty five (35) calendar days upon receipt of the Notice to Proceed</u> . Bidders should have completed, within two (2) years from the date of submission and receipt of bids, a contract similar to the Project. The description of an eligible bidder is contained in the Bidding Documents, particularly, in Section II (Instructions to Bidders).	2. The Department of Social Welfare and Development - CAR now invites bids for the above Procurement Project. Delivery of the Goods is required <u>within sixty (60) calendar days upon receipt of the Notice to Proceed</u> . Bidders should have completed, within two (2) years from the date of submission and receipt of bids, a contract similar to the Project. The description of an eligible bidder is contained in the Bidding Documents, particularly, in Section II (Instructions to Bidders).
Schedule Requirements	Delivery Period: <u>within thirty five (35) calendar days upon receipt of the Notice to Proceed</u> .	Delivery Period: <u>within sixty (60) calendar days upon receipt of the Notice to Proceed</u> .

With the above changes, please use the attached revised forms:

1. Schedule of Requirements;
2. Technical Specifications Form;
3. Technical Specifications (Terms and Conditions for Lot 1 and 2); and
4. Price Schedule for Goods Offered from Within the Philippines (Lot 1 and 2)

Changes indicated in the Bid Bulletin shall form part of the bidding documents.

Please be guided accordingly.

ENGR. ENRIQUE H. GASCON JR.

BAC Chairperson 

PAGE 6 of 6

Section VI. Schedule of Requirements

The delivery schedule expressed as weeks/months stipulates hereafter a delivery date which is the date of delivery to the project site.

Lot No.	Project Title	Delivery Place	Delivery Period
1	Purchase of Scanners, Printers and Projector for the Pantawid Pamilyang Pilipino Program	DSWD Field Office – CAR, #40 North Drive, Baguio City	sixty (60) calendar days
2	Purchase of Additional IT Equipment (Laptops and Desktops) for the Pantawid Pamilyang Pilipino Program		

Note: Please refer to Section VII. Technical Specifications for the itemized list of Goods

Section VII. Technical Specifications

Notes for Preparing the Technical Specifications

A set of precise and clear specifications is a prerequisite for Bidders to respond realistically and competitively to the requirements of the Procuring Entity without qualifying their Bids. In the context of Competitive Bidding, the specifications (*e.g.* production/delivery schedule, manpower requirements, and after-sales service/parts, descriptions of the lots or items) must be prepared to permit the widest possible competition and, at the same time, present a clear statement of the required standards of workmanship, materials, and performance of the goods and services to be procured. Only if this is done will the objectives of transparency, equity, efficiency, fairness, and economy in procurement be realized, responsiveness of bids be ensured, and the subsequent task of bid evaluation and post-qualification facilitated. The specifications should require that all items, materials and accessories to be included or incorporated in the goods be new, unused, and of the most recent or current models, and that they include or incorporate all recent improvements in design and materials unless otherwise provided in the Contract.

Samples of specifications from previous similar procurements are useful in this respect. The use of metric units is encouraged. Depending on the complexity of the goods and the repetitiveness of the type of procurement, it may be advantageous to standardize the General Technical Specifications and incorporate them in a separate subsection. The General Technical Specifications should cover all classes of workmanship, materials, and equipment commonly involved in manufacturing similar goods. Deletions or addenda should then adapt the General Technical Specifications to the particular procurement.

Care must be taken in drafting specifications to ensure that they are not restrictive. In the specification of standards for equipment, materials, and workmanship, recognized Philippine and international standards should be used as much as possible. Where other particular standards are used, whether national standards or other standards, the specifications should state that equipment, materials, and workmanship that meet other authoritative standards, and which ensure at least a substantially equal quality than the standards mentioned, will also be acceptable. The following clause may be inserted in the Special Conditions of Contract or the Technical Specifications.

Sample Clause: Equivalency of Standards and Codes

Wherever reference is made in the Technical Specifications to specific standards and codes to be met by the goods and materials to be furnished or tested, the provisions of the latest edition or revision of the relevant standards and codes shall apply, unless otherwise expressly stated in the Contract. Where such standards and codes are national or relate to a particular country or region, other authoritative standards that ensure substantial equivalence to the standards and codes specified will be acceptable.

Reference to brand name and catalogue number should be avoided as far as possible; where unavoidable they should always be followed by the words “*or at least equivalent.*” References to brand names cannot be used when the funding source is the GOP.

Where appropriate, drawings, including site plans as required, may be furnished by the Procuring Entity with the Bidding Documents. Similarly, the Supplier may be requested to provide drawings or samples either with its Bid or for prior review by the Procuring Entity during contract execution.

Bidders are also required, as part of the technical specifications, to complete their statement of compliance demonstrating how the items comply with the specification.

Technical Specifications

Item	Qty	Unit	Specification	Statement of Compliance
				<p><i>[Bidders must state here either “Comply” or “Not Comply” against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered (including the prescribed terms and conditions). Statements of “Comply” or “Not Comply” must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer’s un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder’s statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the applicable laws and issuances.]</i></p>
			<p>Lot 1: Purchase of Scanners, Printers and Projector for the Pantawid Pamilyang Pilipino Program</p>	
1	2	unit	<p>Printer, All-in-One Ink Tank Printer; Features: Print, Scan, Copy, Fax with Automatic Document Feeder, Wi-Fi Ready, Duplex Printing / Automatic 2-sided Printing (up to A3 size)</p>

A Service Unit must be issued for a unit that can't be repaired within the day.</p> <p>e. For reported hardware replacement, the Service Provider shall be the one to pull out the unit.</p> <p>16. Price should not exceed PhP 100, 000.00</p>	

NOTES:

For the purpose of bid evaluation, the required evidence as reference to the statement of compliance shall be in the form of brand and/or technical specifications of the offered item. In case a brand is not appropriate or applicable for the item, a bidder shall attach a photo that shows the compliance of offered items with the technical specifications. **Attachment of photo is mandatory for the offered item.**

Example:

Specification	Statement of Compliance
Printer 3 in 1 (Print, Scan, Copy) - 3 in1 Printer (Print, Scan, Copy) - Ink tank system; Draft A4 printing greater than or equal to 33 ppm for Black & up to 20 ppm for colored; Wireless Printing (Wi-Fi); Can print on Photo/Glossy Paper; 2 year warranty	Comply, brand x, photo or brochure of the offered item

**TERMS AND CONDITIONS
(For Lot 1)**

		Statement of Compliance
1	The bidder can comply with the Schedule of Requirements Note: <u>Schedule of Requirements shall be attached to support compliance to this specific terms and condition.</u>	
2	For reported hardware replacement for printers, scanners and projector, the Service Provider shall be the one to pull out the unit and provide temporary service units.	
3	Proposed Brand must be capable of supporting Nationwide deployment and with at least 1 or more accredited Service Centers <u>within CAR / Northern Luzon (Proof or List of Nationwide Service Center should be submitted during the post qualification stage).</u>	
4	Warranty: <ul style="list-style-type: none"> • One (1) year warranty for the projector and printers. • Three (3) years warranty for the scanners. 	
5	Manufacturer of the proposed brand for the printers, scanners and projector should at least be <u>ISO 9001:2015</u> certified (<u>proof shall be presented during the post qualification stage.</u>)	
6	Proposed BRAND for the <u>scanners</u> should be Energy Star and RoHS compliant (<u>proof shall be presented during the post qualification stage.</u>)	
7	Further, the brand should be sold and marketed continuously in the Philippines for the last ten (10) years.	
8	The procuring entity reserves the right to cancel the contract or reduce the quantity of the goods for any justifiable reasons or for any circumstance beyond the procuring entity's control, i.e. force majeure, fortuitous events, etc.	
9	Payment Term: Payment will be processed upon complete delivery of items, submission of complete supporting documents and based on availability of Cash allotment (for Accounts Payable and Not Yet Due and Demandable (NYDD)).	

**TERMS AND CONDITIONS
(For Lot 2)**

		Statement of Compliance
1	<p>The bidder can comply with the Schedule of Requirements</p> <p>Note: <u>Schedule of Requirements shall be attached to support compliance to this specific terms and condition.</u></p>	
2	<p>For reported hardware replacement, the Service Provider shall be the one to pull out the unit.</p>	
3	<p>Proposed Brand must be capable of supporting Nationwide deployment and with at least 1 or more accredited Service Centers within CAR / Northern Luzon (Proof or List of Nationwide Service Center should be submitted for verification <u>during the post qualification stage</u>).</p>	
4	<p>Proposed BRAND should have an existing technical web support system where the brand providers/ bidders can log-in and key-in product service codes/ item codes for faster tracking of defective / RMA products and faster turn-around time of technical support (<u>proof shall be presented during post qualification stage</u>).</p>	
5	<p>Manufacturer of the proposed brand should at least be ISO 9001:2015 certified (<u>proof shall be presented during post qualification stage</u>).</p>	
6	<p>Proposed BRAND should be Energy Star Compliant (<u>proof shall be presented during post qualification stage</u>).</p>	
7	<p>Bidder's proposed brand should conform with local and international safety and quality standards as follows:</p> <p style="padding-left: 40px;"><u>If brand offered is a Local Brand:</u></p> <p style="padding-left: 80px;">1. NTC (National Telecommunications Commission) Type Approval/Accepted - Ratio Type Approval/Acceptance for products with radio communications equipment installed.</p> <p style="padding-left: 40px;"><u>If brand offered is an International Brand:</u></p> <p style="padding-left: 80px;">1. NTC (National Telecommunications Commission) Type Approval/Accepted - Ratio Type Approval/Acceptance for products with radio communications equipment installed; and</p> <p style="padding-left: 80px;">2. FCC (Federal Communications Commission), and/or</p> <p style="padding-left: 80px;">3. CE (European Conformity), or</p>	

	4. Other internationally known standards for consumer electronics safety and quality such as EAC (Eurasian Conformity), UL (Underwriters Laboratories), etc (<u>proof shall be presented during post qualification stage.</u>)	
8	Further, the brand should be sold and marketed continuously in the Philippines for the last ten (10) years.	
9	The procuring entity reserves the right to cancel the contract or reduce the quantity of the goods for any justifiable reasons or for any circumstance beyond the procuring entity's control, i.e. force majeure, fortuitous events, etc.	
10	Payment Term: Payment will be processed upon complete delivery of items, submission of complete supporting documents and based on availability of Cash allotment (for Accounts Payable and/or Not Yet Due and Demandable (NYDD)).	

Notes:

The requirement of evidence as reference to the statement of compliance is only applicable for the items or goods that are subject for the bidding at hand. Evidence as reference to the compliance with the terms and conditions is not required. However, bidder shall still explicitly provide their statement of compliance with the prescribed "Terms and Conditions". Statement of compliance with the "Terms and Conditions" will be verified during the post-qualification stage.
