

ADDENDUM 01: PDAC 2025-02
December 12, 2025

This addendum is issued to modify and amend the schedule of Bid Activity indicated in the Bid Documents issued for the **Sale of Disposable PPE, SE and Other Materials and Scraps**.

Concerns	From	To
Bid Opening	12 December 2025, 1:00pm	18 December 2025, 1:00 pm

The said adjustment was done due to the fact that the invitation to the Commission on Audit (COA) was not received on time, and as a result, no COA observer was present for the original bid opening schedule.

All other terms and condition in the Bid Documents remain unchanged.

For guidance and reference.
